We Agree That We Will

- Final year group can issue locker in last academic year for final year project. This will be issued till final year project exhibition.
- FYP Coordinator and lab staff will only decide and approve allocation of lockers to final year group and FYP Coordinator decision will be final.
- FYP groups can get locker after getting approval from FYP advisor and FYP Coordinator on application from.
- In case of Key lost, FYP group will pay fine of 1000/- R.s.
- Fail to return locker key within deadline will result fine of 100/- R.s per day that will be displayed at the end of spring semester.
- Locker will be used only for storing FYP related material. Any material other than FYP is strictly prohibited to keep in the lockers.
- Institute has right to access locker at any time without permission of student.
- In case of any theft/lost item from lockers/unforbidden item found/ in disciplinary activity, Authority, Department, FYP Coordinator, Lab Director and Lab Staff will not be responsible.
- In case of any theft/lost item from lockers/unforbidden item found/in disciplinary activity, students who have signed this Affidavit/Performa will completely responsible.
- In the case of breaking any rule, Department administration can take any action against us or even expel us from University.
- No item of industrial electronics can be kept in lockers.
